To Whom it may concern,

Reference for Thomas Davies-Jones

I am delighted to recommend Thomas Davies-Jones as a bright and capable candidate for your role. I have had the pleasure of working with Thomas for 3 months as part of his internship at Sydney Airport in May-July 2024 in my role as his manager. During this time, I have been continually impressed by his dedication, work ethic, and exceptional abilities. Thomas was extremely diligent, his work plans were well thought out and he was able to operate independently with strong knowledge in his field. He was able to absorb a lot of information in a short time frame and use his experience to convert it into useful business outcomes.

In particular, his work on a machine learning algorithm to forecast passenger growth opportunities has been revolutionary for SYD and reprioritised our thinking about the future business needs. He was able to take a complex, business relevant task and present back his findings in a clear and concise way. He consistently demonstrated good attention to detail and a capacity for creative problem-solving. He was also a strong team player, helping other colleagues and was incredibly well liked by all he interacted with.

Based on my experience working with Thomas, I am confident that he will make a valuable addition to your organisation. We would have him back at SYD in a heartbeat if we are able to overcome the visa issues and I am sure he will go on to do great things. Please feel free to contact me if you would like further details about my recommendation.

Yours sincerely,

Benjamin Almond
